First Grade Homework

Dear Parents,

Homework is an important part of learning as it provides extra practice of new skills acquired in class. This is an opportunity for your child to share and demonstrate the new things that they are learning. Please assist your child when needed. Encourage quality work from your child and see that they show effort, accuracy, and neatness.

Homework should not take more than 20 minutes each evening. Contact me if your child struggles with this and modifications can be made.

Homework Procedures are as follows:

- See Tic-Tac-Toe board located in their purple folder each Monday or the first school day of the week. Choose any three in a row to complete. Homework is to be turned in on Fridays.
- Letterland spelling list
- Math Worksheets(s) or game will be attached to the Tic-Tac-Toe homework
- Spelling Tests will be given every Friday.
- Have students read each night and discuss the book you have read together.

Thank you for taking this time to support your child!

Mrs. Smith
